

**REMARKS**

In compliance with 37 CFR 1.84 and 37 CFR 1.121, enclosed herewith are sheets of Replacement Drawings for Figure 1 to be substituted for the Drawing Sheet for Figure 1. This replacement figure was necessitated by the Patent Office's indication that the intake office placed an endorsement stamp on the original drawing sheets originally filed with the application on November 9, 2000.

Applicant submits that the Drawing Sheets are free of extraneous copy marks, and show clarity of lines and characters. Applicant submits that no new matter is presented in the formal drawings and requests that the Examiner enter the enclosed formal drawings as Replacement Drawings.

Therefore, in light of the Notice of Allowance mailed on December 11, 2009, Applicant respectfully submits that the present application is in condition for allowance.

Applicant's attorney may be reached by telephone at 212-801-6729. All correspondence should continue to be directed to the address given below, which is the address associated with Customer Number 76058.

The Commissioner is hereby authorized to charge any required fee in connection with the submission of this paper, any additional fees which may be required, now or in the future, or credit any overpayment to **Account No. 50-1561**. Please ensure that the Attorney Docket Number is referenced when charging any payments or credits for this case.

Respectfully submitted,
